Candidate Consent Form

Centre Assessed Grade Review

Tick required

Deadline: 17th SEPTEMBER 2020

Students:

can ask their school or college to check whether it made an administrative error when submitting their centre assessment grade or position in the rank order and if it agrees it did, to submit an appeal to the exam board

Schools and colleges can appeal:

if they believe something has gone wrong in processing their results – for example, if a centre believes it has made an error when submitting its information; or similarly, that an exam board made a mistake when calculating, assigning or communicating a grade. We expect that any such mistakes will be quickly found and corrected

if they can evidence grades are lower than expected because previous cohorts are not sufficiently representative of this year's students
